It's not every day you find a penny on the sidewalk, nor is it every day that a printing company comes along that can save you money on all your printing needs.

Please let us take a moment to introduce ourselves.

Angel Printing & Reproduction is a full service printing company located on the near west side of Cleveland.

We pride ourselves in providing the best quality services at the most reasonable prices.

We do not employ a sales force, so in turn, that means better pricing for you and your company.

We have been a family owned business for over 30 years and are very comfortable in handling our customer needs.

Angel Printing & Reproduction offers services ranging from traditional printing, to state of the art digital reproduction. One color to four-color process, from business cards to annual reports, we have done it all!

The following are some of our many Operational Capabilities.

#### **PREPRESS:**

- Full prepress capabilities

#### **• Request an Estimate/Place a New Order.**

These simple forms allow you to submit estimate requests or place a new order in a matter of minutes. Upon receipt, a representative will promptly process your request and contact you by phone, fax or e-mail—whichever you prefer.

#### **• Send a File**

Our user-friendly transfer center allows you to instantly submit large documents from your computer. Just upload your files, click submit and we'll send you a confirmation, via e-mail.

#### **• View a Proof**

This allows you to check proofs online by downloading a PDF file. We will send you an e-mail message that includes a link to the proof—you simply follow the link and download the file. Fax or e-mail any changes. It's as easy as that.

#### **• Frequently Updated Content**

When you come to our home page you're instantly informed of our special offers and featured products or services by the "In the Spotlight" icon. Check back frequently to see what we've got in store for you.

#### **• Resources & Support**

Frequently updated by our staff, this section provides the latest and greatest in software downloads, as well as useful tools, tips and guidelines for preparing your documents. Also provided is a printing glossary and FAQs (frequently asked questions) that allow you to get your questions answered on your time.

#### **• Adobe® PDF Job Ready™**

Another feature on our website grants you the ability to convert your files into PDF form. The **PDF Job Ready** feature is provided to preserve electronic files in a universal portable document format (PDF), before submitting to print.

This option prevents problems experienced with sending files, such as missing fonts and format errors. Your file is therefore preserved as created and submitted in print ready form. To utilize this feature, you simply download the feature from our website. After obtaining the software, an option will be created in your print menu to "Print to Angel Printing". Selecting this option will link you to the **PDF Job Ready** software and eventually the Angel Printing website. You will then be guided through step by step directions to create and submit your file.
